Happy Mother's Day!

↔️ **SPEAK SOFTLY** ↔️

Sometimes I speak softly to others,
so he won't hear what I say.
Other times I tell little white lies—
I know no other way
to communicate with him at times.
I hope my lies and whispers
don't constitute a crime.
I have to protect him any way I can
and though sometimes he seems a child,
I know he's still a man.
But so much of what he once was
seems to have been lost.
I have to preserve his dignity at any cost.
He would be so mortified if he really knew
of the things he would never have said
and things he'd never do,
if he were thinking straight.
So I have to love him with all my heart
before it is too late!
